

**Craniosacral Therapist**  
**[Craniosacral Center of Grand Rapids](#)**  
**Grand Rapids, MI**

**Position Type:** Part time, moving into full time

**OPPORTUNITY**

Gentle yet effective, craniosacral therapy helps your body heal itself by releasing tension through light touch. The Craniosacral Center of Grand Rapids provides clients with the skilled support they need to find balance and function in their lives. With clients ranging from newborn babies to busy, high-demand professionals, our services include detailed assessment, treatment planning and supporting the unique goals of each person. Working collaboratively with other clinics, we provide integrative, holistic care for our clients and internationally-sought expertise in several focus areas, including infant oral-motor function, and offer innovative treatments that utilize the body-mind connection to help individuals achieve their personal and professional goals. Find the balance, function and body-mind harmony you're searching for through the gentle power of craniosacral therapy at the Craniosacral Center of Grand Rapids.

**POSITION SUMMARY**

The Craniosacral Center of Grand Rapids is seeking to hire a part-time craniosacral therapist, who will move into full-time, to serve clients at our main office in Grand Rapids, MI. The new team member will be trained in our protocol for tongue tied infants and additional protocols developed through our academy. The successful therapist is energized by collaborative care and providing a high quality client experience and also values continuing education to enhance their technique.

**QUALIFICATIONS & EXPERIENCE**

- Minimum 2 years experience working with clients in a related capacity
- Ability to develop customized treatment plans and proactively pursue solutions
- Willingness and ability to learn new techniques and work with a range of ages, from infant to adult
- Able to connect professionally with other shared providers to optimize treatment care
- Comfortable discussing financial requirements with clients
- Ability to maintain client notes in database
- Advanced education in craniosacral therapy (Upledger Institute CST 2 & SER 2 or comparable level of studies from a different craniosacral school), skilled at working with the mental and emotional fields, as well as the physical.
- Therapist licensed in the state of Michigan carrying own professional insurance, CCC-SLP, IBCLC, PT, or OTR certifications a plus
- Experience with infants, lactation and/ or tongue-tie a plus

### **WORK WITH AMAZING PEOPLE**

Kelly O'Brien Pahman is the Owner/Director of the Craniosacral Center of Grand Rapids. Kelly is a lifelong entrepreneur full of relentless optimism and a love of working with people. She is a mom of 4 kids and married to a very supportive spouse! She values transparency and sees conflict as an opportunity for growth. In 2009, she began serving clients as a Holistic Doula and pivoted into craniosacral therapy (CST) in 2014 and now exclusively offers CST. Kelly specializes in serving newborn clients with feeding issues along with helping high achieving professionals find more balance and calm in life.

### **WHAT YOU CAN EXPECT FROM US**

We are a growing practice providing a craniosacral therapy approach that is client-centered. We are committed to supporting clients in finding balance and success in their goals. We hire grown-ups and we will treat you like one. You will be expected to take responsibility for yourself; we do not micromanage.

### **HOW TO APPLY**

If you would like to be considered for the position, submit your resume, salary expectations, and professional references to Charissa Reul: [charissa@stbrigidscst.com](mailto:charissa@stbrigidscst.com) with the subject line **CST Hire**.
